SUMMARY AND OBJECTIVE

I believe in being resilient and passionate give one the strength to power through hurdles and low points. As a fast learner and team player, I am ready to do whatever it takes to improve myself and contribute to the company's success.

EDUCATION

University of Nottingham Malaysia Campus (2014-2018)

B. Sc (Hons). Economics

Second class upper division (2:1)

As part of my dissertation project I gained experience of collecting and transforming raw data of 178 countries into useful information through statistical analysis. I have learned how to conduct data research, apply and present research methodologies, and work independently.

Chung Hua Port Dickson High School

SPM result: 10As

PRIOR WORK EXPERIENCE

Barista (November 2018 - March 2019)

Nashville Gaylord Opryland Resort & Convention Center (2018-2019)

During my five months spent in USA, I was able to experience foreign culture and worked multiple jobs on daily basis. While having my primary job as Starbucks barista, I also work various jobs such as cashier, busser, food runner, in room dining server and bellman. I have learned the importance of being self-disciplined and resilience at work. The most valuable takeaway from my work experience is that one can only earn the respect of others through integrity and work ethics.
